Subject: Draft Oregon NPS Plan Ready for Review; Comments Due by Sept 2 & Martha Will be Coordinating the Comments

Hi Alan,

Martha was [Ex. 6 - Personal Privacy] when Oregon public noticed its draft NPS plan (<http://www.deq.state.or.us/wq/nonpoint/plan.htm>) and I forwarded the plan to Don & Allison (and attorneys) to review from the OR CZARA perspective. With [Ex. 6 - Personal Privacy], Dave wanted me to forward the plan to you for an overview NPS review since you are very familiar with Oregon's program. Comments are due to Don Y by September 2 and Martha will be coordinating the comments. I've cc'ed Jenny (who noted she did not see any problems with the TMDL section) and Helen in case she has time to review the plan.

Rick reviewed the preliminary draft and provided comments which Don Y said he addressed. The [Ex. 6 - Personal Privacy] and Martha replaced him as the Oregon NPS Coordinator. Don then sent out the next version to his agency and other sister state agencies. He revised the plan based on their comments and offered us an opportunity to review that draft before going through the public participation process. Due to Rick's [Ex. 6 - Personal Privacy] and the heavy workload to get the grant out, our heavy CZARA workload and the desire to keep the process moving etc. so that the September 30 deadline could be met, we decided to have that version move forward through public review and provide our comments during the public comment period.

I am forwarding Don's comments, FYI.

Cheers,

Jayne

Jayne,

My comments are along the lines of how will Oregon show that it is implementing the CZARA management measures through this NPS MP update (rather than merely providing us a summary description of what they've already submitted to us in March)? I would look for something in the milestones that shows tracking for various management measures. Not all MMs, but the ones EPA and the state think are most critical. Oregon might also mention its intent to use a section of their 319 annual reports to report out on the results of their tracking and monitoring for MM implementation (and I would encourage them—and all coastal states to take this approach). I don't see these pieces in this draft.

Don

Hi All,

This is the version (<http://www.deq.state.or.us/wq/nonpoint/plan.htm>) we should review from the OR CZARA perspective. Comments are due to Don Y by September 2.

Rick reviewed the preliminary draft and provided comments which Don Y state he addressed. Then Rick Ex. 6 - Personal Privacy and Martha replaced him as the Oregon NPS Coordinator. Don then sent out the next version to his agency and other sister state agencies. He revised the plan based on their comments and offered us an opportunity to review that draft before going through the public participation process. Due to Rick's Ex. 6 - Personal Privacy and the heavy workload to get the grant out, our heavy CZARA workload and the desire to keep the process moving etc. so that the September 30 deadline could be met, we decided to have that version move forward through public review and provide our comments during the public comment period.

I will set aside some time in late August to discuss our thoughts and comments.

Cheers,

Jayne

Oregon's NPs MP update is out for public comment now:

Also, Oregon posted its March 20, 2014 CZARA submittal to NOAA/EPA on its main NPS page here:
